Welcome to the 2019-2020 school year from the Student Nutrition Department. It is our goal to provide healthy meals for our students.

Charge Policy

K – 12th:

Mineola ISD has a **“\$15.00 Charge Limit”** policy. Once a student reaches their \$15.00 charge limit **“Charging privileges”** will be suspended until charges are paid or arrangements can be made. Notices will be sent home on a weekly basis to advise parents of charges, but it is the responsibility of the parent or guardian to track their child’s account. If parents do not respond to notices, they will be contacted by phone from the cafeteria. If the situation is not resolved in a timely manner it will be referred to the principal and/or superintendent.

Any student that does not have charging privileges will be provided a courtesy meal of our choice **sandwich, fruit and milk**. If a student has no charging privileges he/she will be directed to their appropriate school office to call their parents to request lunch money or a meal.

Snack Bar Privileges

Snack Bar is offered at the Elementary, Middle and High School Campuses. If a student has a negative balance in their lunch account they **WILL NOT** be allowed to purchase items from the Snack Bar.

Student Accounts

Parents may prepay funds into their child (ren)’s account. Money may be applied to your child’s account using Lunch Money Now or by sending money with your child. If sending money with a small child please place the funds in an envelope and note the “child” name and grade in order to credit the appropriate account. If sending a check please note child’s name or student ID on check to credit the appropriate account. There is a “No Check Cashing” policy. Checks made out to the school cafeteria will be fully applied to a student’s lunch account.

Any funds remaining in a student lunch account when student leaves the district must be claimed within 3 months of withdrawal date. Any unclaimed money will be transferred to the School Nutrition Fund.
